

THE ADVENTURES OF

NEW!

# Captain Climate Master

AS OUR STORY BEGINS,  
WE FIND AN OVERWORKED  
MECHANICAL CONTRACTOR,  
LEON C. PEON, STILL IN  
HIS OFFICE AT 2:00 A.M....

LITTLE DOES  
HE KNOW THAT  
CAPTAIN CLIMATE MASTER  
WILL COME TO  
HIS RESCUE!

WHAT AM I  
GOING TO DO?  
THIS !#@? PROJECT  
IS CAVING IN ON ME!  
I CAN'T GET THE OWNER TO  
MAKE UP HIS MIND... I'M  
HAVING TROUBLE WITH ALL MY  
SCHEDULES... I JUST GOT  
ANOTHER CHANGE ORDER AND I  
HAVE NO IDEA WHEN THE HVAC  
EQUIPMENT WILL BE DELIVERED!

THE NEXT DAY ON THE JOBSITE  
WHILE PEON IS INSPECTING...

GEE WHIZ!  
HE CALLS ME  
EVERY DAY!

HEY LEON, IT'S THE OWNER  
AGAIN, HE WANTS TO KNOW  
WHEN HE CAN MOVE IN?

THE SAME DAY AT LUNCH

MR. PEON, A  
MR. SMITH FROM  
ACME CONSTRUCTION  
IS ON THE PHONE  
FOR YOU.

I CAN'T EVEN  
EAT LUNCH  
WITHOUT A  
PHONE CALL!  
?#@!\*

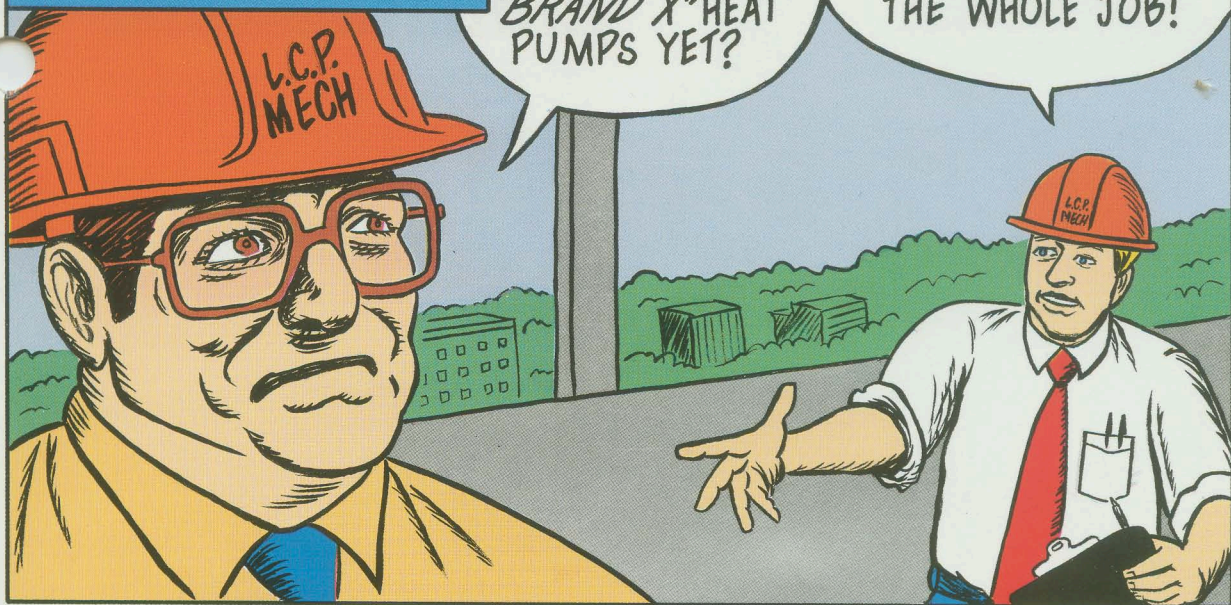

LATER THAT AFTERNOON,  
ON THE JOBSITE...

LEON, HAVE WE  
RECEIVED THOSE  
"BRAND X" HEAT  
PUMPS YET?

ARE YOU KIDDING?  
THEY'RE HOLDING UP  
THE WHOLE JOB!

... LATE THE NEXT NIGHT,  
A PERPLEXED PEON PONDERERS.

I JUST DON'T SEE  
ANYWAY TO FINISH THIS  
PROJECT ON TIME...  
WAIT A MINUTE!  
WHAT IS THIS BROCHURE  
FOR SST HEAT PUMPS FROM  
CLIMATE MASTER? IT SAYS  
HERE THAT THEY HAVE  
THOUSANDS OF UNITS IN STOCK  
FOR IMMEDIATE DELIVERY.  
MAYBE, I SHOULD CALL THIS  
TOLL FREE NUMBER

THE NEXT DAY ON THE JOBSITE...

WHENEVER YOU NEED  
HEAT PUMPS FAST,  
CALL... *CLIMATE MASTER!*  
WITH THE POWER OF  
A LOCOMOTIVE, I'LL  
LEAP TALL BUILDINGS  
IN A SINGLE BOUND  
TO BRING YOU  
HEAT PUMPS  
FASTER THAN A  
SPEEDING BULLET!

GEE WHIZ!  
I CAN'T BELIEVE  
YOU GOT HERE  
SO FAST!

A MONTH LATER, IN THE  
EXECUTIVE OFFICES OF  
ACME CONSTRUCTION...

WELL LEON, BECAUSE YOU  
GOT US OUT OF A JAM ON  
THOSE HEAT PUMPS, WE'RE  
GIVING YOU THE NEXT JOB.

... AND I OWE IT ALL  
TO CAPT. CLIMATE MASTER

# ClimateMaster<sup>®</sup>

Has the world's most complete line of standard water source heat pumps. We also customize for your individual needs.

## Horizontal Units

Climate Master horizontal units are used extensively where floor area is premium. They are perfect for spot-cooling or heating needs. Horizontal units are ideal for renovation since they easily fit between the original ceiling and new suspended ceiling. We also have units available for Geo-Thermal applications. Size Range: 9,000-120,000 BTUH

## Vertical Units

Climate Master vertical units are usually installed in closets, utility rooms and mechanical equipment rooms. Most common applications include conditioning areas in office buildings, retail stores, multi-family buildings and the public spaces of commercial and institutional buildings. We also have units available for Geo-Thermal applications. Size Range: 9,000-60,000 BTUH

## Accessories

Climate Master offers a full line of accessories to support your system operating requirements including hose kits, T-stats, loop control panels, water valves and filters.
