

ClimateMaster®

V Series

Large Commercial Water Source Vertical Heat Pump

Price List

Effective 01/01/90

Form No.VLCUPS-190
Subject to change without notice.

Pricing Policy:

This price sheet supersedes the price sheet dated February 1, 1989 and any subsequent addendums issued in letters to the field.

1. Freight terms are "FOB Shipping Point," Full Freight Allowed. On shipments to Canada, Alaska and Hawaii, Freight terms are "FOB Shipping Point," Full Freight Allowed to the U.S. Border. Normal shipment is by truck; if premium transportation is requested, the extra cost must be borne by the requester.
2. Warranty: The standard warranty on units, controls, and accessories is one year no labor.
3. Check, test and start is usually the responsibility of the installing contractor, therefore, our prices do not include any check, test and start monies. If it must be added, it is the responsibility of the representative to include the money in his quotation.
4. Terms of Sale are net 30 days. Credit must be approved or terms agreed upon before any equipment will be shipped.
5. Project information and a credit application must be filed with the Credit Department, and where applicable, a sales tax certification.
6. List Price deducts are indicated by () around the amount.

VLCU-1

This micrograph shows a cross-section of a plant stem. A large, dark, circular vascular bundle is prominent, surrounded by a lighter-colored, textured ring of cells. The overall shape is roughly circular with some irregular edges.

*Position 5 is not used.
